Dear Stripe,

I am intellectual property counsel for Ya Ya Creations (the owner of efavormart.com and tableclothsfactory.com) and Mitch Su. The websites efavormart.com and tableclothsfactory.com should never have been in the lawsuit filed by Opulent Treasures and should never have been subject to any temporary restraining order. Opulent has now dismissed efavormart.com and tableclothsfactory.com and any restraints placed on those websites pursuant to any court order should be removed as soon as possible.

Please let me know if you have any questions or concerns.

Regards,

Marc Karish

Hello,

The court order was sent directly to the payment processor for Shopify Payments, Stripe Inc and was enforced by them. Shopify is unable to remove a control put in place by Stripe Inc so any communications or release notices will need to be sent directly to Stripe at llg-notices@stripe.com. You may need to provide them with your Stripe account number included in the original email upon sending any release notices.

Thank you,
